

ASPE 2019 Tech Symposium

October 24-27, 2019 || Wyndham Grand Pittsburgh Downtown

Sponsorship Program

The ASPE Tech Symposium Sponsorship Program is a unique opportunity for manufacturers to show their support of the industry and reach out to attendees of the event. The ASPE Tech Symposium is a proven networking and educational event for plumbing engineers. During three intensive days, hundreds of plumbing engineers, designers, specifiers, and contractors gather to mingle with and learn from their peers.

- > Name in 2019 Tech Symposium Program Guide and event signage

Benefits of Sponsoring

Becoming a sponsor of the 2019 ASPE Tech Symposium provides marketing and networking opportunities that maximize your exposure to the plumbing engineering and design community. A sponsorship:

- > Provides visibility and recognition of your company to ASPE members and industry leaders
- > Enhances your image, prestige, and position with plumbing engineers and designers
- > Builds awareness of your company's products and services
- > Offers the opportunity to build relationships with hundreds of plumbing engineers and designers

Product Show October 24

The ASPE Tech Symposium Product Show is a unique chance for manufacturers to get one-on-one face time with the plumbing engineers who specify their products. This product show features tabletop displays on which manufacturers can showcase their products and literature while mingling with Tech Symposium attendees.
