

ASPE Affiliates

Advantages of the Affiliate Sponsor Program

We want to help you promote your company! ASPE offers numerous ways for our Affiliate Sponsors to spread the word via our websites (aspe.org and aspe.org/pipeline) and e-newsletter (ASPE Pipeline). Check out these opportunities:

Videos

There are three spots on ASPE Pipeline where we can place your videos: the [homepage](#), the [Featured Videos](#) page, and the [Affiliate Corner](#).

Affiliate Sponsor Profiles

Placed on the [Affiliate Sponsor page of aspe.org](#), these profiles can be customized with your company information, social media feeds, videos, photos, and more.

Pipeline Exclusives

Affiliate Sponsors can provide technical articles authored by their expert staff that will be featured in the [Pipeline Exclusives](#) section of ASPE Pipeline.

Case Studies, New Product Announcements, Company News

Only ASPE Affiliate Sponsors can provide product and company news that will be featured in the [Affiliate Corner](#) of ASPE Pipeline.

In addition to being placed on ASPE Pipeline, all current Affiliate sponsor news is highlighted and linked in the biweekly ASPE Pipeline e-newsletter, which reaches more than 18,000 industry professionals.

PLUS, all Affiliate Sponsors receive **5 ASPE memberships** for company employees.

All of this is complimentary to our Affiliate Sponsors!

To start taking advantage of these benefits, contact Brian Henry, ASPE Director of Affiliate Relations & Education, at bhenry@aspe.org or 847-296-0002 x235.
