What book do you recommend everyone should read? The Carolina Way, a book about University of North Carolina basketball Coach Dean Smith. **Why?** It's more than a sports-related book in that it has lots of life lessons.

What is your greatest accomplishment outside of your career? Umpiring the Championship plate for the Little League World Series World Championship game.

What is your favorite childhood memory? Playing football in the side yard with the neighborhood kids and Dad as all-time QB.

Who is your hero? My Dad; he has been through a lot, and I can only hope to have his ability to overcome.

Who would you want to be stranded with on a deserted island with? My wife, Christine. We could use some quiet time together!
