ASPE Vice President, Legislative

JOB TITLE: Senior Mechanical Engineer

COMPANY: FTC&H

HOMETOWN: Waterford, MI

ASPE CHAPTER: Eastern Michigan

"Being a member of ASPE has assisted in advancing my career through the continuous education, technical resources, and connection to a network of professionals. It has also provided the opportunity to serve as a volunteer on my local Chapter Board and the Society Board. Participation as a volunteer is a rewarding experience, as volunteer contributions ensure the continued growth of the organization."

IF YOU COULD TRAVEL ANYWHERE, WHERE WOULD IT BE? I have a bucket list of places to visit, and the current top travel destinations are to travel around Italy, to see the Terracotta soldiers in Xi'an, China, and to visit agave fields and tequila distilleries in Jalisco, Mexico.

WHAT IS YOUR FAVORITE TYPE OF MUSIC, BAND, AND/OR SONG? Music has been a large part of my life since childhood, and it has exposed me to a wide variety of genres. I attend as many concerts as possible, and last year I crossed Lil Wayne, Peter Frampton, and Steve Miller Band off my bucket list.

WHAT IS YOUR FAVORITE ANIMAL? Turtles. The various species are adaptable to many environments: land, water (fresh or salt), or a combination of land and water. Turtles rely on their own shell for protection and are associated with a peaceful life and are a constant reminder to take life at the pace that is well suited for me.

IF YOU COULD LIVE ANYWHERE, WHERE WOULD IT BE? On the ocean, surrounded by palm trees. I have not identified a specific city/state/country, but know that this is the environment that brings happiness and peace to my inner soul.

WHAT IS YOUR FAVORITE MEAL? IS IT PREPARED AT HOME OR FOUND AT A RESTAURANT? Homemade lasagna.
