What book do you recommend everyone should read? I would highly recommend The Alchemist by Paulo Coelho. Why? The constant theme in The Alchemist is to pursue your dreams by following what your heart desires; with each passing obstacle and hurdle you encounter, there is a lesson to learn.

What is your greatest accomplishment outside of your career? Getting involved with kids’ school and being elected as an LSC (local school council member) was a great accomplishment.

What is your favorite meal? It is kind of hard to pick a favorite dish for a food lover like me who is always ready to try new food (with some restrictions). I must say Biryani is my all-time favorite. It has carbs, protein, and herbs. This one dish is a complete meal.

What do you do to relax? To relax I like to go to Lake Michigan and sit there and enjoy nature, look at the waves, and enjoy the tranquility. There is always something magical about Lake Michigan.

What is your favorite game or sport to watch and play? Cricket is my all-time favorite sport to watch. The kind of rivalry between cricket-playing countries is unbelievable; the thrill the excitement is nerve racking, it cannot be explained in words.

Which historical figure you most want to meet? Gandhi would be the person I would want to meet. Why? Because, of his strong perseverance, nonviolence movement, and his unflinching efforts to make a country free of disparities. These qualities make him an exemplary figure.
