**What is your greatest accomplishment outside of your career?** My greatest accomplishment has definitely been my children. Being a Mother has been the most rewarding, challenging, nerve-racking, and a never-ending sense of pride that I will ever experience in my life.

**What are your hobbies outside of work?** Outside of work, I love to travel with my family. Every year, I pick a random city for us to visit and explore.

**What is your favorite type of music, band, and song?** I love all types of music, whatever moves me. I listen to Spanish, rock, pop, rap, and everything in between.

**What is your favorite childhood memory?** My favorite childhood memory/memories is spending time with my Mother. She passed away when I was 10 years old, so I cherish those times.

**Do you have a nickname?** Most people know that my nickname is Rocky. **How did you get it?** If I remember correctly, I was given this nickname by my Mom. Most people mispronounced my name, and my Mom was tired of people calling me Rachel.

**Do you have a favorite vacation spot?** Any destination that has a beach and a view of the ocean.

**If you could live anywhere, where would it be?** Same as the previous question. **Why?** I love the beach and a view of the ocean.

**Who is your hero?** My maternal Grandmother. She raised me since the age of 10. She was a single mother who raised and ended up outliving all three of her children. Despite the hardships she experienced throughout her life, she was the strongest, sweetest, and most resilient person I have ever known.

**Would you rather win the lottery or work at the perfect job?**  
Definitely win the lottery, and then I could create my perfect job.
